

Get satisfaction from building projects and working with current materials used in the field...and refine your construction skills!

Construction Technology

- This program is for high school junior and seniors. School districts in Eastern Montgomery County support this program and provide transportation to EASTERN.
- You receive graduation credit from your high school for taking this program at EASTERN. IF you complete all your career objective tasks with a 70% or better you also receive an EASTERN certificate.
- You will work on both residential and commercial construction in the school's shop and at nearby building sites.
- You will learn to use the same tools and equipment used by professionals in the field and follow industry standards.
- Quality instruction is EASTERN's hallmark. We guarantee what you learn with a Student Warranty!
- You can get college credit for your work at EASTERN at Penn College of Technology.
- Get more information about this program on our web site at www.eastech.org.

This program is for you if you like to
work with your hands and solve problems

To be successful you need to

- be in good physical condition
- have good hand-eye coordination
- develop good time management skills
- be able to use logic and reasoning
- use math to solve problems

After completing this program you can

- work in the industry
- pursue a college education
- ultimately own your own business

Job prospects

are good particularly for those with technical school or formal apprenticeship training. Some jobs may be seasonal in nature.

Register for this program

- Get a registration card from your high school guidance office or from EASTERN.
- Talk to your high school counselor about visiting this program to find out if it's for you!
