

Our training will provide the essential hands-on and safety skills that a student needs to pursue a rewarding career in the Electrical Construction Industry.

Electrical Technology

- This program is for high school junior and seniors only in Eastern Montgomery County. It is offered in partnership with your high school and your school district provides transportation to EASTERN.
- You receive graduation credit from your high school for taking this program at EASTERN. IF you earn a 70% or better and complete all your career objective tasks you will also receive an EASTERN certificate.
- You will learn the basics of electricity as well as residential and commercial wiring, data cabling and basic fiber optic installation.
- You will learn to use the same tools and equipment used by professionals in the field and follow industry standards.
- Quality instruction is EASTERN's hallmark. We guarantee what you learn with a Student Warranty!
- You can get college credit for your work at EASTERN at Penn College of Technology.
- Get more information about this program on our web site at www.eastech.org.

Prerequisites

- good color vision and hand eye coordination
- ability to climb moderate heights on a ladder

To be successful you need to

- be in good physical condition
- have good hand-eye coordination
- follow the National Electrical Code and comply with state and local building codes

After completing this program you can

- work in the industry
- pursue a college education
- ultimately own your own business

Job prospects

are good particularly for those with technical school or formal apprenticeship training. Most localities require electricians to be licensed.

Register for this program

- Get a registration card from your high school guidance office or from EASTERN.
- Talk to your high school counselor about visiting this program to find out if it's for you!

Program time and length

- career program for juniors and seniors
- five days a week
- classes are 2 hours 45 minutes in the morning or afternoon at either 7:45 a.m. - 10:30 a.m. or 12:00 p.m. - 2:45 p.m.

Extracurricular activities

Many EASTERN students are active in sports, cheering or other clubs at their high school.

This program is for you

if you like to work with your hands and solve problems.
