

As an on-going effort to expand your students portfolio and at the request of the colleges we send your students to, we are requiring all in-coming students to have a "Point-N-Shoot" camera that they will use to photograph homework outside of the classroom. Below are a few suggestions that are acceptable cameras to use for homework. Camera prices vary from \$55.00-\$600.00 and up.

eMail: rsteinbacher@eastech.org with any questions.

Mandatory, 2 SD Cards

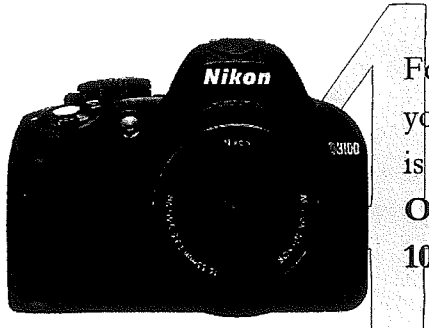

Kodak Brand Digital Camera Available at WALMART/Kmart/On-line. Our Vendor, Larmon Photo in Abington offer our students a 10% discount

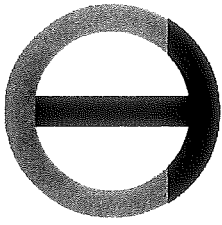

Olympus Brand Digital Camera, Available at WALMART/Kmart/On-line. Our Vendor, Larmon Photo in Abington offer our students a 10% discount.

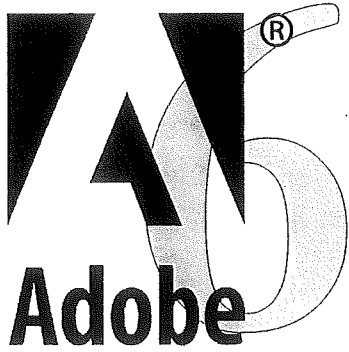

Your cell phone camera will also work as well. BUT, you still need to buy 2 SD cards for your studio work. You must also provide your own charging cord for downloading

For the aspiring photographer, these are the cameras we supply for your student to use in class. You are welcome to purchase one but is NOT required. Nikon/Canon DSLR's are industry standard. Our Vendor, Larmon Photo in Abington offer our students a 10% discount.

Commercial Art Portfolio Book. ALL students are required to purchase a portfolio book. You can purchase your portfolio book at www.eastech.org/shop. Your portfolio will be delivered by the COA Instructor

Adobe Single Product Certification is required for all EASTERN Commercial Art students by the state. The certification is administered by the COA instructor. More information will be made available soon.
