

VETERINARY SCIENCE
Occupational Advisory Committee
Virtual Meeting

MINUTES

I. Call to order: Meeting held via Zoom

II. Roll Call: Karen McGeehan, Joe Greb, Erica Wolbramsky, DVM, Michele Thomas, Amy Garges

III. Approval of minutes from last meeting : Approved

IV. Unfinished Business

None. Discussed the current teaching situation with the school shut down, how working on task list has changed, challenges with finding content etc.

V. New Business

- a) Skills Competitions- discussed cancellation of state skills competition
- b) Open House Review-Great turn out for open house. Students who participated were once again the key to making it run smoothly in vet science. Spoke about opening for college programs to be represented at open house.
- c) Budget Approvals for the 2021-2022 proposed school budget- approved
- d) OAC Accomplishments- develop equipment needs list, brainstorming ideas for certificates that can be acquired by students, ideas for field trips, increased ideas for college involvement, looking for donated radiology equipment and interaction from other vet science programs around the state to help up better develop our program, donation of dental prophylaxis equipment from Dr. Wolbramsky!
- e) Plan of Work- keep acquiring equipment, work on NAVTA certificate program, work on CPR certificate approval, begin working on possible training program approval, develop program to meet intro to vet tech requirements at vet tech programs,
- f) OAC Reappointments -all individuals needing reappointment approved
- g) OAC Student Representative -Emma martin
- h) Approval of Program Review- some grammar/spelling and continuity edits but otherwise approved

VI. Adjournment
