

Abington High School

January 4, 2021

Dear Parent/Guardian,

The Eastern Center for Arts and Technology (EASTERN) offers career and technical programs that prepare students for success. Whether going to college or beginning a career after high school, EASTERN can build skills that will lead to a rewarding future.

Students in 10th grade interested in attending EASTERN during their junior and senior years will have an opportunity to attend an informational meeting in the Auditorium at Abington Senior High School on **Tuesday, February 2, 2021 at 9:30 a.m.** Abington students are eligible to attend two-year programs at EASTERN, and EASTERN's one-year Allied Health program. Any interested student is required to contact Abington's Guidance Department to obtain a pass for this meeting. At this time, we are hoping for an in-person meeting, but we will provide an update closer to the event.

Students who are interested in attending EASTERN, are also invited to register for our Virtual 10th Grade Career Expo on Thursday, February 25.
